## CARE Medical Billing Inc.

takes pride in working with our clients to give them the best service for their medical billing needs. By focusing on one specialty, we are able to demonstrate precise claim coding submissions, accurate account reconciliation, claim follow-up on appeals, and keep our offices current with changes in the law, such as Medicare regulations.

**With over 16 years of medical billing experience, CARE Medical Billing Inc will fulfill your chiropractic billing, office compliance in accordance to OIG standards, and personalized staff training needs.**

Care Medical Billing Inc. stands for excellence and our team of experts provide only the best services to our clients. We understand how to work hand-in-hand with you and your physicians, your staff, as well as your patients. With cutting edge technology, we utilize multiple billing systems to best fit your office's functionality. CARE Medical Billing Inc. works with you and your staff as closely as an in-house biller saving you time, money, and energy.

**Outsourcing your medical claims billing to CARE will not only provide your practice the opportunity to better utilize employee time, but also allow your physicians more time to provide quality medical care for your patients. Using our services will also cost you significantly less than that of a full-time staff member.**
